

GARMENT TO GARMENT COMPARISON

Compare your own garment size to ours. You can do this by measuring across the top edge of the waistband when the garment is laid flat. Outside leg is measured from top edge to hem at the side seam. Please note this type of garment has variable stretch so a direct comparison may not be accurate. Our garments stretch to fit.

MEASURING TIPS

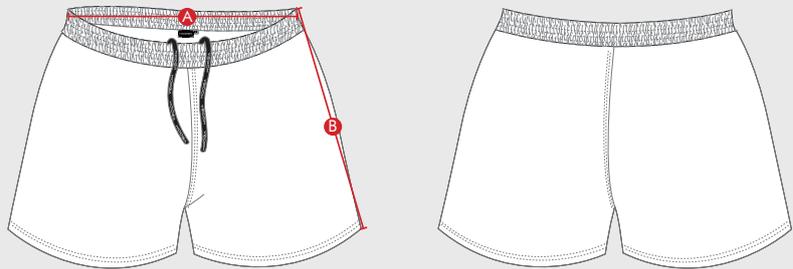

- We can accommodate additional sizes, please enquire.
- Sizing chart should be used as a guide only.
- Measurements may vary depending on design of garment.
- Sizing sets can be provided.

CELTIC RUGBY SHORTS

*NOTE: All measurements in this catalogue are approximate and are for reference only. Our size charts are a guide only and sizing may vary according to the style, fabric and fit of the actual garment. Waist specifications are measured at the natural waist which are to be considered even though garments will generally fit lower.
